## ACTIVITIES

You're going to have plenty of options here. Weekly bingo nights, morning fitness classes, art classes, live music, weekly card games—these are all choices for how you can spend your time. But however you choose to spend your days, you won't ever have a hard time finding interesting people to spend them with, as our community is full of seniors just like you who are also finding their own best life. And we think that's what really puts life back into senior living.

## DINING

We believe dining well is part of living well. You'll enjoy restaurant-style dining in our elegant dining room with plenty of menu options to choose from at each meal. Our dining program is all about you and may include your feedback, your favorite recipes and your requests. You can even join the weekly menu chats to discuss upcoming meal choices. And if you have special dietary needs, we may have an option for you with low sodium and sugar-free menu options.
