ACTIVITIES

When it comes to activities, there's something for everyone. Game night, crafting classes, happy hour and shopping trips are just a few of the activities you can join. And no matter how you choose to spend your days, you'll never be far from someone to share them with, as our community is full of vibrant seniors just like you. For our memory care residents, we offer at least six structured programs each day, including the book club, karaoke, dancing, chair yoga, trivia games and art classes.

DINING

We strive to create a memorable dining experience with tasty meals prepared by a culinary team that is passionate about great food. We can also offer nutritional support and recommendations to help keep your meals healthy and delicious. For our memory care residents, we keep mealtimes routine. Our supportive dining environment encourages familiarity and socialization, with all residents sitting together at the same time and at the same table each day.
