## ACTIVITIES

Here, you'll officially have the freedom you need to thrive. Spend time in nature, participate in campus activities like morning fitness classes and evening movie nights, or go on group excursions. Our memory care residents experience the same rich quality of life with an additional layer of supportive aid. Our team will provide gentle guidance and reminders throughout the day, encouraging your loved one as they enjoy programs that strengthen their minds and bodies.

## DINING

Prepare a light meal at your kitchenette or head down to our elegant dining room, where you can order what you want and enjoy conversation with others. Savor healthy and delicious menu options like baked tilapia or chicken stir fry. You can even offer suggestions and feedback during our routine menu chats. For memory care residents, we also use mealtime as an opportunity to offer healthy and delicious menu choices to create a sense of belonging and help improve well-being.
