ACTIVITIES

Walk through our community, and you'll see our residents singing karaoke, tossing beanbags, dancing, baking, listening to music and playing cards. Your loved one can also enjoy arts & crafts, pampering themselves with manicures, playing memory games or gathering for a movie. Outings might be picnics or scenic drives. These fun activities are part of a carefully designed care program to help your family member live their best life.

DINING

Three flavorful, nutritious home-style meals are prepared fresh each day and served in our dining area. We use mealtime as an opportunity to offer healthy menu choices and encourage your family member to eat as independently as possible. We also keep mealtimes very routine, seating all residents together at the same time and place each day, to help alleviate confusion or added stress.
