## ACTIVITIES

Our residents have plenty of fun, participating in karaoke sessions, movie nights, Science 101 demonstrations, fitness classes, cognitive workouts and pet therapy. We also offer art projects, puzzles, games, gardening, live music performances, devotional services, computer classes, bowling and Food Show, our weekly session to create fun new snacks. Your loved one is having a great time, yes, but each of these activities is part of a carefully designed care program to help them live their best life.

## DINING

Three home-style meals are served daily in our dining area and include flavorful entrees like veal parmesan and grilled margarita chicken. Easy-to-eat snacks are available in between to help meet nutrition requirements. Mealtimes are kept routine to help alleviate any confusion or added stress. Your family member will enjoy dementia-friendly menus with easy-to-manage selections and personal dining assistance as needed.
