ACTIVITIES

Art classes, book club, crossword puzzles and karaoke are just a few of the activities offered here. Our residents also enjoy devotional services, trivia, yoga and fun social events, like our mix and mingle socials. If your loved one loves to garden, we have gardening time. And our residents love spa days with manicures, too. Your family member can also enjoy sunny days outside in our secure outdoor courtyard.

DINING

People living with Alzheimer's or dementia may be at a greater risk for poor nutrition and weight loss. That's why we use mealtime as an opportunity to offer healthy menu choices and create a sense of belonging. With our award-winning Clare Bridge dining program, your family member will enjoy dementia-friendly menus with familiar and easy-to-manage selections, small dining rooms with consistent pre-selected seating and personal dining assistance as needed.
