ACTIVITIES

Staying connected is an important part of aging well. That's why we have an exciting social program that includes our B-Fit exercise program, devotional services and outings to local attractions. Our memory care residents enjoy activities such as movement classes, hymns and cooking demonstrations. Each of these fun activities is part of a carefully structured, person-centered care program to help our residents live their best life, even with advanced expressions of the disease.

DINING

As a resident, you can enjoy delicious and nutritious meals in our elegant dining room. Join our weekly menu chats where you can provide feedback and even recommend family recipes. We use mealtime to create a sense of belonging for our memory care residents. Your loved one will enjoy dementia-friendly menus with familiar and easy-to-manage selections, small dining rooms with consistent pre-selected seating and personal dining assistance as needed.
