ACTIVITIES

At Brookdale Centre of New England, you have choices, and you can get as involved as you'd like. We have plenty of clubs and activities like the Rosary club, walking club, fitness classes, board games and shopping trips. Our memory care residents can enjoy plenty of activities too, but their days contain more structure with programs designed to help maintain their abilities and use their current skills. Singing, dancing, reminiscing and creative coloring are just a few of the programs available.

DINING

Head down to the dining room for healthy meals prepared by our passionate dining team. We work to include your suggestions, feedback and even family recipes into our menus. Our memory care residents get to enjoy healthy meals, too. We offer personal dining assistance as needed, consistent seating arrangements and dementia-friendly menus with familiar and easy-to-manage selections.
