ACTIVITIES

Do the things you love to do, and let us help plan rest. With card games, bird-watching, devotional services and exercise classes, you'll have plenty of fun activities to choose from. Our activity calendar for memory care residents includes bowling, walking club and InTouch travel adventures. The intuitively designed touch-screen computer and easy-to-use, picture-screen prompts brings the outside world in for residents with physical or cognitive limitations.

DINING

We'll worry about the dishes while you enjoy restaurant-style meals with friends in our elegant dining room. Our culinary team is passionate about creating delicious meals with fresh, seasonal ingredients. Our memory care residents enjoy wonderful dining experiences as well, with dementia-friendly menus and customized place settings for an easier dining experience. And we can quickly convert meals to hand-held if your loved one prefers walking or standing rather than sitting.
