ACTIVITIES

On any given day, you'll see our residents engaged in gardening, painting, trivia games, reminiscing about the old days and enjoying music. Maybe you'll find them playing cards, getting coffee with a friend or enjoying an ice cream social. Each of these activities is part of a carefully designed care program to help your family member live their best life.

DINING

Three home-style meals and delicious snacks are served daily in our dining area. To help alleviate any confusion or added stress, we keep mealtimes very routine for our memory care community. Your loved one will sit with familiar people at the same time and same table each day. We also customize place settings for each resident for an easier dining experience. And we can quickly convert meals to hand-held for those who prefer walking or standing rather than sitting.
