ACTIVITIES

Do more of what you love. Because when it comes to chores, less is more—more time for you to do what you want to do. Is there something you've always wanted to try like line dancing? We have a class for that. Or maybe you want to focus on personal fitness and join a B-Fit class. You could start your day with an art class and then take a tech class. Or maybe you want to hear a history lecture or join the resident council. Well, you can. And don't miss out on our mix and mingle events.

DINING

You'll have a kitchenette in your apartment home if you feel like making a light snack. If not, let someone else worry about the dishes and enjoy our dining program where it's all about you and may include your feedback, your menu suggestions and your favorite recipes. With seasonal menus that vary each day, you can look forward to great meals and great company.
