

## EXCEPTIONAL SENIOR LIVING

After a single visit to Brookdale College Square in beautiful Overland Park, Kansas, you will discover our memory care residents seem more like family members than neighbors. Greeted by warm smiles, you will hear laughter coming from the hallways and experience the genuine warmth and friendliness each member of the care team has for each man and woman who calls this community home. You will even notice the residents participating in enriching activities and events that inspire cognitive retention and social interaction.

- On-site staff available 24/7 to be alerted to an emergency

## ACTIVITIES

From here, your loved one will enjoy activities that promote social interaction and cognitive retention. They may engage in nature walks, morning fitness classes, Travel Club, arts and crafts, history lectures or music therapy. Or perhaps they will go on a lunch outing, learn to make bird feeders or participate in beginner Spanish classes. No matter which activities they participate in, you can rest assured that each one provides rewarding and challenging experiences that promote holistic health and

## ENJOY GREAT DINING EXPERIENCES

The dining program at Brookdale College Square is specifically designed for those living with dementia. We offer three meals and snacks a day, finger foods to promote and encourage as much independence and dignity as possible, and dementia-friendly menus with a wide variety of options crafted to help prevent weight loss. Your loved one will experience structure and routine at each meal with consistent seating and support from our loving care team, as needed, so they can enjoy
