## ACTIVITIES

Our activities calendar is filled with fun events to help you make new friends. Try a new hobby or creative skill, attend movie night or happy hour, or improve your physical fitness with our B-Fit exercise program. Your senior years should be your vibrant years, and we're here to help make that happen. Our memory care residents enjoy activities like sensory art classes and mental workouts that are part of a carefully designed care program to help them thrive even when dementia is advanced.

## DINING

We believe dining well is part of living well. You'll enjoy flavorful restaurant-style meals in our elegant dining room. Some of the delicious chef-prepared meals may include things like basa baked in white wine and chicken with pineapple salsa. For our memory care residents, we offer dementia-friendly menus, nutritionally balanced meals and personal dining assistance as needed, so your loved one can enjoy fine dining as well from a passionate culinary team.
