DINING

We believe dining well is part of living well. You'll enjoy restaurant-style dining with chef-inspired meals in our elegant, well-appointed dining room. With such flavorsome, refined entrees as chicken cordon bleu, braised pork chop with gravy, and basa baked in white wine, you'll see that you are, indeed, living well. If you have special dietary requests, we may have an option for you. Our menus are all about you and may include your requests, your suggestions and even your family recipes.
