## ACTIVITIES

Express your creative side by taking a beginning painting class in our arts and crafts studio, exercise your body and mind with fitness activities or find your competitive spirit with card and board games, including Men's Poker Night. You can also enjoy quiet, reflective moments in our chapel or along our walking paths; we are set on three acres of beautifully landscaped grounds in a quiet residential area. With an activity calendar that changes daily, there's always something to do.

## DINING

We believe dining well is part of living well. That's why you'll enjoy restaurant-style dining in our elegant, well-appointed dining room with such refined chef-prepared meals as cacciatore braised beef, cornmeal-fried catfish with spinach and mint-basil pesto-stuffed pork loin. And you'll finish off the meal with pies, cakes, fresh fruit, ice cream—with sugar-free options included, of course. At Brookdale Country Day Road, you'll see that you are, indeed, living well.
