ACTIVITIES

Who says the young folks should have all the fun? We know how to have a good time, too. Every week, you could join a competitive card game, catch a movie or work on your fitness. When you feel like getting out, round up a few friends to take in some of Denton's local dining, craft beer tasting rooms or attractions, including a tour of the University Gardens, a visit to the Clear Creek Natural Heritage Center, or the Little Chapel in the Woods.

DINING

Enjoy a dining program that is like going out to eat at your favorite restaurant every day, minus the "going out" part. Our menus are all about you and may include your requests, your favorite recipes and your feedback. We create memorable dining experiences with healthy, delicious meals made with seasonal ingredients. If you have special dietary needs, our culinary team can create menu options to meet your needs.
