ACTIVITIES

Our activities calendars are tailored to match our residents' interests and abilities. Do you want to join the card club or the domino club? Or both? You can be as involved as much or as little as you choose. For memory care, we offer a gentle daily structure of six planned programs per day to help preserve residents' current abilities. Programs include cognitive workouts with brain games, art and music programs and fitness opportunities like our B-Fit program and dancing.

DINING

Head down to our elegant, light-filled dining room surrounded by your favorite people. You and your neighbors can enjoy healthy and delicious menu options in our restaurant-style dining room. For our memory care residents, we use mealtime as an opportunity to offer healthy menu choices and create a sense of belonging. Our residents enjoy dementia-friendly menus with familiar and easy-to-manage selections and small dining rooms with consistent pre-selected seating.
