## ACTIVITIES

Join one of our shopping trips to local stores and boutiques, stroll the sculpture garden at the Walker Art Center or watch a Twins game at Target Field. On campus, you can join friends for happy hour on our outdoor atrium patio, try a tai chi class, take a writing workshop or join the chess club. Our memory care residents enjoy activities like sensory art classes and mental workouts that are part of a carefully designed engagement program to help them thrive.

## DINING

We believe dining well is part of living well. You'll enjoy restaurant-style dining in our elegant, well-appointed dining room with chef-prepared meals such as basa baked in white wine or pork loin with orange marmalade demi-glace sauce. And because we also specialize in memory care, we provide dementia-friendly menus, nutritionally balanced meals and personal dining assistance as needed, so your loved one can enjoy fine dining from an exceptional culinary team.
