## ACTIVITIES

Do you want to play bingo or trivia or join friends for a B-Fit fitness class? You can be as involved as much or as little as you choose. For memory care residents, the Daily Path is an evidence-based approach that offers a gentle daily structure of six planned programs per day, which help preserve our residents' abilities. These include morning discussions, brain games, paint and relax classes and physical fitness opportunities like bowling, buddy walk, and dancing.

## DINING

Our well-trained culinary staff helps ensure meals are nutritionally balanced and support your health and well-being. You can enjoy home-cooked entrees served restaurant-style in our elegant dining room. Now, you can sit back and enjoy a great conversation over dinner with friends. Our memory care residents will enjoy dementia-friendly menus with familiar and easy-to-manage selections, consistent pre-selected seating, and personal dining assistance as needed.
