## ACTIVITIES

You'll have the care you need if you need it so you can go live your life to the fullest. Do you want to join the walking club or the coffee club? Or both? Maybe you've always wanted to learn Spanish. Now you can. How about some game time with chess, cards or bingo? You can be as involved as much or as little as you choose. If you need to run errands, but you don't like driving in traffic, use our scheduled transportation services to get you where you need to go.

## DINING

Our dining program is all about your feedback, menu suggestions, and, yes, even your recipes. We offer a personalized dining experience where we customize our seasonal menu options with input from residents during our monthly menu chats and residents' family recipes. So let someone else worry about the dishes so you can linger after dinner and enjoy one of the best parts of a great meal—great conversations!
