ACTIVITIES

We want to get to know you so we can learn more about you and what you enjoy. Our social calendar has something for everyone, with activities for different abilities and interests. Imagine waking up and enjoying a cup of coffee on the porch before deciding between a fitness class in our fitness center or a ceramics class in our arts and crafts studio. Maybe you want to join a card game, play bingo or meet up with the Red Hat committee. It's up to you and we're here to help!

DINING

With our restaurant-style dining, you can enjoy the convenience of healthy and delicious meals each day. We create memorable dining experiences with dishes prepared by a culinary team passionate about great food. If you have special dietary requests, we may have an option for you. We also try to include your requests or suggestions in our menus. And if you want to host a private celebration with friends and family, you can reserve our private dining room.
