## ACTIVITIES

Every day you'll have a new list of activities, from creative pursuits like art classes or live music to events to stoke your competitive spirit like, Wii Bowling tournaments or bingo groups. But we think what really puts the most life into your senior living here is the social connections you'll make. Your morning fitness class might just be an excuse to get together with your fitness friends. And that weekly poker game might just be how you get your card-playing friends together.

## DINING

You'll enjoy sumptuous restaurant-style meals, such as pork roast with horseradish and herbs or chicken a la king, giving you plenty of time to enjoy great dinner table conversations. Best of all, we'll take of the dishes! Our culinary team is passionate about creating a selection of delicious, healthy meals made from fresh seasonal ingredients. And you can help plan our menus with your favorite dishes, family recipes and requests during our menu chats.
