ACTIVITIES

Our constantly changing calendar is packed with activities, so you're sure to find classes, games and outings that attract you. One day it might be listening to audiobooks or watching Wheel of Fortune. Next time it might be hot cocoa by the fire, karaoke or a movie. Are you a Minnesota Twins fan? You won't miss a single inning, because on game days, baseball is the main event in the TV room. You'll also enjoy happy hour socials, Uno, bingo and iPad games.

DINING

We believe that dining well is part of living well. Our chefs prepare flavorful, restaurant-style meals like simmered beef brisket, grilled chicken breast with dijon mustard sauce and parmesan crusted tilapia. Our dining program is all about you and may include your feedback, menu suggestions and even your own recipes. So order what you want and enjoy conversations at your table.
