ACTIVITIES

Art classes, gardening, and yoga are just a few activities included on our daily path of engagement. Your family member will also enjoy devotional services, jewelry-making, movie nights and fun social events, like happy hour and cooking club meet-ups. We even plan regular off-campus outings to local attractions and lunch at local restaurants. Music is also an important part of life at Brookdale Fayetteville, with Name that Tune games and karaoke. We even have a piano on campus.

DINING

Did you know people living with dementia are at a greater risk for poor nutrition and weight loss? That's why we use mealtime as an opportunity to offer healthy menu choices and create a sense of belonging for your loved one. Our residents enjoy dementia-friendly menus with familiar and easy-to-manage selections, small dining rooms with consistent pre-selected seating and personal dining assistance as needed.
