## ACTIVITIES

You'll have plenty of opportunities to make new friends. Join the poker club, attend a wine and cheese social, take part in a soul-nourishing devotional service, participate in a fitness class or join your neighbors for bingo. If you have a loved one staying in our memory care community, they'll experience a gentle daily structure of programs tailored to preserve their abilities, encourage the use of their current skills and help them maintain their quality of life for as long as possible.

## DINING

Enjoy a dining program that is like going out with friends to eat at your favorite restaurant every day, minus the "going out" part. You can savor decadent meals like basa baked in white wine or chicken stroganoff. To avoid confusion or added stress, we keep mealtimes routine for our memory care community. Your loved one will sit with familiar people at the same time each day and use dementia-friendly menus with diverse offerings that can assist in full engagement in the dining process.
