## ACTIVITIES

Activities (SP edited 12/5) If you want to live a life rich in energy and activity, you'll love our resident-driven community events calendar. Each program is designed by and for our residents and can include everything from morning exercise classes and choir practice to crochet club meetings and afternoon gardening. Our memory care calendar features just as many engaging opportunities, too. Your loved one can enjoy painting, B-Fit classes and walking groups to stay fit.

## DINING

Enjoy nutritious and flavorful meals like rosemary, garlic chicken, and baked pollock, followed by a decadent cherry pie or reduced-sugar tapioca pudding dessert. You don't even have to help wash the dishes when you're done—simply order what you want and enjoy conversation with others at your table. For memory care residents, we keep mealtime very routine. Your loved one will enjoy dementia-friendly menus with familiar and easy-to-manage selections.
