## ACTIVITIES

Begin your day with flower arranging, board games and cards or a morning exercise class. Fill the rest of the days with arts and crafts, meet-ups with various clubs, mix-and-mingle socials, Flex Your Brain activities and current events. As for our memory care residents, maybe you'll find them getting coffee with a friend, gardening, singing karaoke or practicing yoga. Each activity is designed to help your loved one preserve their current abilities.

## DINING

Our fine dining experience includes three nutritious restaurant-style meals and several snacks each day. You'll enjoy dishes like glazed coconut chicken, seasoned baked whitefish with lemon and roast pork with cherry almond glaze. For our memory care residents, we keep mealtimes routine. Your loved one will enjoy healthy, delicious menu options that allow for full engagement in the dining process, while also creating a sense of belonging in the dining room.
