ACTIVITIES

With an event calendar that changes each day, you can always find something to do, including fitness activities—for your body and mind—arts and crafts, games, Bible studies, outings and much more. Perhaps you want to learn a new hobby; perhaps you want to teach someone a new hobby. In our neighborly community, we encourage our residents to share their skills and talents to make meaningful contributions to each other.

DINING

Our menus are all about you and may include your menu requests, your favorite recipes and your feedback. And our menus are more than meals. We create memorable dining experiences with healthy, delicious meals made with seasonal ingredients. So go enjoy a dining program that is like going out with friends to eat at your favorite restaurant every day, minus the “going out” part. And best of all, you’ll never have to worry about doing the dishes!
