ACTIVITIES

At Brookdale Jackson Oaks, you'll have plenty of opportunities to make new friends. Join a Wii bowling tournament or the billiards club or attend a lively resident social or devotional service. If you have a loved one staying in our memory care community, they'll experience a gentle daily structure of programs tailored to preserve their abilities, encourage the use of their current skills and help them maintain their quality of life for as long as possible.

DINING

Enjoy a restaurant-style dining program complete with delicious meals like basa baked in white wine or chicken stroganoff. Best of all, we'll handle the dishes so you don't have to lift a finger. For our memory care residents, we keep mealtimes routine to avoid confusion or added stress. Your loved one will sit with familiar people at the same time each day and use dementia-friendly menus with diverse offerings that can assist in their full engagement in the dining process.
