ACTIVITIES

Join one of our many social clubs like our yarn club or swim club, attend a group fitness class or join beers and bowling night—here you have choices. And our residents help create upcoming calendars with their ideas, so there's always something for everyone. Our memory care residents have an activities calendar, too, with programs like B-Fit, reminiscing, dancing, and InTouch adventures, which bring the outside world in with an intuitively designed touch-screen computer.

DINING

We look forward to your requests, suggestions and even family recipes during our routine menu chats. We also have a private dining room you can reserve for special celebrations or events. For our memory care residents, we keep mealtimes very routine. Our supportive dining environment encourages familiarity and socialization, with your loved one sitting with familiar people at the same time each day and having place settings that enhance and provide ease during mealtime.
