ACTIVITIES

Here, you can make new friends, explore new hobbies and enjoy a lifestyle rich in comfort and privacy. Our community calendar is full of exciting programs for you to choose from. As an assisted living resident, you can enjoy brain games, fitness classes, trivia and happy hour socials. Our memory care seniors enjoy a little more routine throughout their day. Your loved one can take part in fun activities like painting classes, devotional services, themed trivia and movie nights.

DINING

Here, you'll get to enjoy a variety of healthy, delicious restaurant-style entrees made with fresh, seasonal ingredients when possible. Dishes may include stuffed green peppers and breaded baked tilapia. Our memory care residents also enjoy great dining but with a little extra support. We provide dementia-friendly menus with familiar and easy-to-manage selections, small dining rooms with consistent pre-selected seating and personal dining assistance as needed.
