## ACTIVITIES

You can enjoy a diverse range of activities and programs each month, ranging from baking groups, Bible studies and resident happy hours to book clubs, bridge competitions and B-Fit fitness classes. If you have a loved one joining us in memory care, they'll participate in at least six programs each day, enjoying a rich and full life with encouragement and support from our kind and compassionate care team.

## DINING

Prepare a light meal at your kitchenette or make your way down to beautifully-prepared meals in the elegant dining room. If you have suggestions or feedback, attend one of our monthly menu chats. For our memory care residents, we keep mealtimes very routine. Our supportive dining environment encourages familiarity and socialization, with your loved one sitting with familiar people at the same time each day and having place settings that enhance and provide ease during mealtime.
