ACTIVITIES

You could start your morning with coffee in the courtyard before joining a Flex Your Brain session. Or how about a game of Bocce ball? Maybe you've always wanted to learn to paint. Now you can. How about some game time with board games, cards or bingo? You can be as involved as much or as little as you choose. For memory care residents, we offer the daily path, an evidence-based approach that offers a gentle daily structure of six planned programs, which helps preserve our residents' abilities.

DINING

Our well-trained culinary staff helps ensure meals are nutritionally balanced and support your health and well-being. You can enjoy home-cooked entrees served restaurant-style in our warm and friendly dining room. And our memory care residents will enjoy dementia-friendly menus with familiar and easy-to-manage selections, small dining rooms with consistent pre-selected seating and personal dining assistance as needed.
