ACTIVITIES

You'll have many fun activities with fitness classes, shopping trips, and happy hours. You could try a new hobby or join friends for a trip to a local tulip farm and then go out for lunch. Memory care residents have a lot of activities, too. The book club, karaoke or craft classes are just a few of the fun programs your loved one can enjoy, and each activity is designed to encourage the use of their current skills and preserve their current abilities.

DINING

You can enjoy delicious, healthy meals in our elegant dining room as a resident. Join our weekly menu chats where you can provide feedback and even recommend family recipes. For our memory care residents, we use mealtime to create a sense of belonging. Your loved one will enjoy small dining rooms with consistent pre-selected seating, dementia-friendly menus with familiar, easy-to-manage selections and personal dining assistance as needed.
