ACTIVITIES

Our ever-changing activity calendars offer plenty of enjoyable ways to spend your time. Get competitive with rousing card games, settle in for popcorn and a movie, find inspiration in Bible studies or get creative in our arts and crafts classes. And our memory care residents engage in such activities as dancing, cooking, painting, gardening or resident socials. But each of these activities is part of a carefully structured care program to help your loved one live their best life.

ENJOY GREAT DINING EXPERIENCES

Our dining experience is prepared by a culinary team who serves nutritious restaurant-style meals and several snacks each day. You'll dine on such dishes as Salisbury steak, tarragon chicken and breaded veal cutlet. To avoid any confusion or added stress, we keep mealtimes very routine for our memory care community. Your loved one will enjoy dementia-friendly menus with familiar and easy-to-manage selections, consistent seating and personal dining assistance as needed.
