ACTIVITIES

With activity calendars tailored to residents' interests and skill levels, there's plenty of inspiration for daily adventures. Join a fitness class, play cards, try a tech class or meet up with friends for happy hour. It's your choice. For our memory care residents, we have fun activities like music programs, crafting and cooking classes and relaxation sessions. These programs help our residents stay socially connected and engaged.

DINING

Our restaurant-style dining lets you enjoy healthy and delicious meals from a passionate culinary team. (And we'll even take care of the dishes!) Our memory care residents typically have their meals in a consistent location and on a specified schedule to avoid unnecessary stress or confusion. We also offer dementia-friendly menus and personalized dining assistance as needed.
