ACTIVITIES

When it comes to activities, your family member has a lot of choices. Painting, book club, gardening, and gentle yoga are just a few of the activities available. Your loved one can also enjoy devotional services in our chapel, spa night, Pictionary and fun social events, too. We even plan off-campus regular outings for scenic drives and lunch at local restaurants. Residents also enjoy traveling the world without leaving home using Brookdale inTouch, a virtual touch-screen computer.

DINING

Have a light meal in your apartment or head down to our dining room where our menus are all about you and may include your suggestions, your feedback and even your own family recipes. Here you can enjoy a dining program that is like going out with friends to eat at your favorite restaurant every day, minus the "going out" part. You can also book our private dining room for special celebrations with friends and families.
