ACTIVITIES

At Brookdale Nine Mile, your family member has a huge range of activities available to them. Our Forties and Fifties music nights, Friday morning coffee groups, nature walks, daily sessions of our signature fitness program, B-Fit, and more are all on the schedule. Plus, because they're part of a community full of seniors also finding ways to live their best lives, they'll have a built-in social group to enjoy their newly rewarding life.

DINING

To help alleviate any confusion or added stress, we keep mealtimes routine for our memory care community. Memory care residents typically do not eat large amounts of food at one time, so to ensure they have a sufficient calorie intake, our menu includes entrée choices with plenty of snacks available throughout the day. We also offer finger foods, as some residents cannot use utensils, and we also provide dining assistance as needed to help your loved one preserve their dining skills.
