ACTIVITIES

You have choices. Happy hour, movie matinees or armchair travels—you decide. Do you want to play trivia or go out to lunch with friends? Or both? Maybe you've always wanted to try a craft class. How about a game of Pokeno or bingo? You can do that, too. If you need to run errands but you don't like driving in traffic, use our scheduled transportation services to get you where you need to go.

DINING

At Brookdale Niskayuna, you get to enjoy a dining program that is like going out with friends to eat at your favorite restaurant every day, minus the "going out" part. Our culinary team strives to provide exceptional dining experiences with healthy and delicious meals. You can even join a menu chat to discuss your suggestions and ideas with the chef. Plus we have a private dining room for special celebrations with friends and families.
