ACTIVITIES

We have something for everyone! Learn to paint with the Cactus Club, join the Poker and Card Club, take a B-Fit exercise class or meet friends for Wine Glass Wednesdays. It's up to you. Our memory care residents have their own activities calendar, too. We offer a gentle daily structure of programs tailored to preserve their abilities and encourage the use of their current skills.

DINING

Prepare to enjoy healthy and delicious restaurant-style meals made by a passionate culinary team. You'll choose from dishes like taco salads, peppered roast beef and fish sauteed in wine sauce. If you have any suggestions, attend our monthly menu chats to share your feedback. For our memory care residents, we keep mealtimes routine. Your loved one will sit with familiar people at the same time each day to avoid stress or confusion and use dementia-friendly menus.
