## ACTIVITIES

Need a little inspiration for all the fun ways you could spend your day? If you lived here, you could enjoy a Dean Martin movie night, happy hours by the pool, crafting groups or regular off-site trips for shopping. But our schedule isn't just about staying busy. It's about engaging with new and old passions, exploring hobbies, and developing relationships with your new social circle, filled with interesting seniors just like you living life to the fullest.

## DINING

Make a light meal at home or head down to the dining room and enjoy a meal that's like going out with friends to eat at your favorite restaurant (our dining room!) every day, minus the "going out" part. Our menus are all about you and may include your menu requests, your favorite recipes and your feedback. Our culinary team creates healthy and delicious meals with seasonal menus based on fresh local ingredients when possible.
