ACTIVITIES

Our calendar of activities is steered by the interests of our residents. Scrabble, the Crochet Club, happy hour and shopping trips are all great opportunities to spend time with neighbors. Our memory care residents enjoy activities like art classes and music programs that are part of a carefully designed care program to help them use and maintain their current skills, even with advanced expressions of the disease.

DINING

While there are plenty of perks to living here at Brookdale Orange Park, the best one might just be the wonderful dining program. From restaurant-style service to healthy and delicious entrees you may find yourself wondering why you waited so long to make the move to our community. Our memory care residents enjoy fine dining as well. We provide dementia-friendly menus, nutritionally balanced meals and personal dining assistance as needed.
