ACTIVITIES

Our residents have plenty of fun outdoors arranging flowers, as well as indoors participating in balloon basketball, yoga, socializing at get-togethers, painting with watercolors, playing trivia games, baking or getting manicures. Maybe you'll find them singing karaoke, playing cards, attending movie nights or enjoying a scenic bus ride. Each activity is part of a carefully designed care program to help your family member live their best life.

DINING

Three home-style meals are served daily in our dining area and include such flavorful entrees as sauteed pork medallions with red peppers, turkey scallopini and Kansas-style BBQ brisket. We also provide easy-to-eat snacks between meals, helping to ensure that proper nutrition and calories are offered each day. We keep mealtimes very routine to help alleviate any confusion or added stress. Your loved one will sit with familiar people at the same time and at the same table each day.
