ACTIVITIES

Our events and programs reflect your unique interests and abilities. Enjoy trivia games with friends, art classes, bingo, or meet up with the walking club. Our memory care activity calendar offers fun activities, too, like spa hour, dancing and gardening. Each program is carefully designed to provide your loved one with a sense of purpose, meaning and belonging, even in the later stages of dementia.

DINING

We believe dining well is part of living well. You'll enjoy healthy and delicious restaurant-style dining in our spacious, sunlight-filled dining room, and we'll take care of the dishes. Our memory care residents also enjoy wonderful dining experiences. Your loved one will benefit from dementia-friendly menus with familiar and easy-to-manage selections and personal dining assistance as needed.
