## ACTIVITIES

You can enjoy activities like fitness classes, happy hour gatherings and visits to the Sonoma County Museum, Luther Burbank Home and Gardens, Joe Rodota Trail and the Pacific Coast Air Museum. Our memory care residents enjoy a gentle daily structure of six programs tailored to help preserve their abilities and encourage the use of their current skills. Programs include mental workouts, chair yoga, sing-alongs and arts and crafts.

## DINING

With our restaurant-style dining, you have access to delicious meals prepared with seasonal ingredients. We'll take care of the dishes! You can even offer up suggestions or feedback during our monthly menu chats. Our memory care residents typically sit down to eat at the same time and in the same seat to avoid unnecessary stress or confusion while promoting as much independence as possible. We offer dementia-friendly menus and personalized dining assistance as needed.
