## ACTIVITIES

Our community calendar is full of everything from afternoon tea and bingo to glamour nails and fun fitness classes, you can always find something fun to do. Our memory care residents enjoy an equally rewarding, though slightly different, calendar of events. Through our signature Clare Bridge program, your loved one will participate in several activities a day—like birdwatching, music programs and watercolor painting—that stimulate the mind and promote confidence in current skills.

## DINING

From elegant place settings and tableside service to decadent entrees that leave you counting down the minutes to your next meal, you may find yourself wondering why you waited so long to make the move to our senior living community. And because we provide dementia-friendly menus, nutritionally balanced meals and personal dining assistance as needed, our memory care residents can also enjoy fine dining from an exceptional culinary team.
