### Exceptional Senior Living

Each day at Brookdale Pecan Park is one filled with friendly faces, exciting events, fun outings and great food. You can live well and age well when you come home to our elegant senior living community set on beautifully landscaped grounds in the heart of Arlington, Texas. Our community offers assisted living and Alzheimer's and dementia care, so should your needs change over time, and you require memory care, you have the security of knowing you probably can remain here, in your home, without leaving your familiar surroundings and close friendships.

With spacious apartments, restaurant-style dining and convenient amenities right on campus, you can do more of what you love. As an assisted living resident, you have the time and opportunity to reignite an old passion or find a new one, boost your mental and physical fitness or take exciting excursions with friends. Our memory care residents benefit from relationship-rich care focused on preserving their identity and sense of self. And you and your family have peace of mind knowing our staff is on-site 24 hours a day, seven days a week, to be alerted to an emergency.
