ACTIVITIES

Our social calendars have something for everyone. Activities are designed for different abilities and interests, with options like the garden club, bingo, happy hour gatherings, and outings to local attractions. Memory care residents have an engaging calendar, too. So whether your loved one is participating in an art class, enjoying some pampering with our nail spa, or joining a drumming class, we help them connect with a sense of purpose, meaning and belonging.

DINING

We serve meals restaurant-style so you can enjoy what matters— great conversations with others at your table! You'll enjoy a menu of tasty and nutritious meals, and our culinary team will take care of the dishes. For our memory care residents, we're aware they may be at a greater risk for poor nutrition and weight loss. That's why at mealtime, your loved one will enjoy dementia-friendly menus with familiar and easy-to-manage selections.
