ACTIVITIES

Art classes, gardening and bingo are just a few of the activities our residents can enjoy. They also enjoy devotional services, Jazz Music Mondays, movie nights and fun social events, like our Sock Hop happy hours. Studies show close relationships play an integral role in aging well. That's why we help our residents stay connected with InTouch, an intuitively designed touch-screen computer. A virtual world of travel adventure awaits with easy-to-use picture-screen prompts.

DINING

We use mealtime as an opportunity to offer healthy menu choices and create a sense of belonging. Your loved one will enjoy dementia-friendly menus with familiar and easy-to-manage selections, small dining rooms with consistent pre-selected seating and personal dining assistance as needed. In addition, residents enjoy our cafe bistro with light snacks and beverages available throughout the day.
