ACTIVITIES

Our community is about empowering you to live the life you want. We start first by getting to know you to learn how you choose to live each day. One day you might find yourself pursuing creative activities, like a cooking class with friends. Another day, you might be taking in a magic show or competing in one of our trivia meetups. Whatever you choose to do with your days, you'll also get to fill them with great people, as our community is full of vibrant seniors just like you.

DINING

We believe dining well is part of living well so our menus are all about you and may include your requests, suggestions and family recipes. You'll enjoy delicious meals in our elegant dining room with menu options that change each day. Meals are served restaurant-style so you can order what you want and enjoy conversation with others at your table. If you have any dietary requests, we may have an option for you.
